The Discipline of Bible Study- part 2

1-17-21

*Your word is a lamp to my feet
And a light to my path.
Psalm 119:105*

1- Bro. Derek used a lamp as an illustration of light. How do the Scriptures serve as a lamp?

2- 8 tips/steps for Bible study were provided. How many can you list?

3- David Jeremiah references some results of spending time with God in His Word in his book Celebrate His Love. The results shared were: God will use the light of His Word to cleanse your life, to prevent sin, to protect you, to encourage you, to prosper you, and to lead you to salvation. Pick one of these, and express what God impressed upon your heart?

2. Read it through, think on it, ask yourself who-what-when-where-how questions, write it down, apply the truth to yourself, pray it, live it, share it
